The above report is offered on behalf of Thimadu Automobile Private Limited, following a detailed visual inspection of the structural integrity of the vehicle. The visual inspection is carried out without disassembling or dismantling any parts of the vehicle. Information such as verification of the registration, police, insurance, maintenance records of the respective vehicle or other private and public records, information and data have not been assessed by Thimadu. The information and recommendations provided by us do not amount to approval or acceptance of the concerning matter. The validity of this certificate is only at the time, date, mileage and place of inspection as stated above.

I certify that all the categories in the report have been inspected.

Buy used vehicles with confidence.
